AGENT CONTACT

Zach Luster has an extreme passion for the outdoors. He grew up hunting and fishing with his dad and was hooked at a young age. Born and raised in Jonesboro, Arkansas, Zach attended Jonesboro High School and graduated from Arkansas State University with a Bachelor of Science in Agriculture with an emphasis in Farm Management and minor in Plant Science. After school, he farmed and became a farm manager for a large-scale row crop operation, while also duck guiding in Casscoe and Egypt, AR. These experiences and knowledge of the soils led Zach to develop a strong desire for, and dedication to, land and agriculture.

At Midwest Land Group, he's able to fuel these passions, working in the outdoors with people who also love the outdoors. From chasing turkeys in the hills and guiding duck hunts in the river bottoms to farming for nearly a decade, Zach has spent his whole life dedicated to the land. He knows that there are abundant possibilities with each and every piece of property and what all it encompasses. Clients benefit from his loyalty, large network, and eagerness to succeed. Zach is married to his wife, Kailey, and together, they have a son, Holt. He is a member of the National Wild Turkey Federation and Delta Waterfowl, and serves as a Youth Director at Milligan Ridge Baptist Church. Other than hunting and fishing, Zach enjoys spending time with his family, attending church events and playing golf. Give Zach a call today to experience the Midwest Land Group difference.
