MIDWEST LAND GROUP IS HONORED TO PRESENT

BEAUTIFUL ACREAGE AND HOME ON PRIVATE PORTION OF LAKE WINNEBAGO

Tucked between Lake Winnebago and Raintree Lake, you'll find this one of a kind acreage with a private portion of Lake Winnebago and a beautiful homesite overlooking the property. As you come down the treed driveway, you'll be blown away by the charm of this property. Large massive oaks and walnut trees are scattered throughout and the land is gently rolling from the ranch home/build site down to your own private portion of Lake Winnebago. The lake is loaded with fish and other wildlife. We watched a large

bald eagle soar above while taking photos of the acreage. The ranch home is tucked in a beautiful site overlooking the entire property. The home has 3 bedrooms, and 2 full bathrooms, and is in need of some TLC, but with work would be a great full time residence or would be ideal to be removed and a dream home built in the same vicinity. If you've been looking for that perfect spot on the edge of town, close to convenience in a great school district, you'd better come take a look.

BROKER CONTACT

Midwest Land Group broker Steve Mott has grown up hunting and managing his family farms in Western Missouri. Steve values land ownership and the rewards of managing and owning his own property. An accomplished hunter himself, Steve has harvested many great whitetail bucks and eastern turkeys off of his family farms over the years. A graduate of the University of Central Missouri, Steve and his wife Sarah their daughter Kennedy and twin boys Baylor and Halston reside in Lee's Summit. They enjoy the outdoors, golfing, barbequing and spending time with their friends, family, and their 2 dogs, Dakota and Maci.

Steve still owns and actively manages four farms in Western Missouri. Steve is involved in the Quality Deer Management Association and has earned the Level Two Deer Steward. He is very knowledgeable on agriculture and timber production, government land programs, wildlife habitat and management, planting and establishing foodplots, controlled burns, trail camera surveys and many other aspects of land management. Steve truly enjoys working and helping others achieve their land ownership goals. He understands that investing and purchasing your own property is one of the most important decisions an outdoorsman/landowner will make. Steve is dedicated to ensuring all clients are given first class attention and applies his personal mission statement "treat others as you would want to be treated" to all transactions. Let Steve Mott put his knowledge and dedication to work for you.
