Dennis Williams has the determination and grit it takes to get the job done, which was instilled in him at a young age and evidenced through his 31 year career in logistics. Dennis grew up in Rochester, MN, where he graduated from Mayo High School and Rochester Community College. After buying and selling several of his own rec farms, Dennis and his family moved from Minnesota to pursue his dream of selling land in Iowa.

At Midwest Land Group, buyers and sellers alike know they can count on Dennis to get the job done and do it right. This agent prides himself on being a good listener who works with the utmost honesty and integrity. He relishes in the fact that many lifelong friendships are made through real estate transactions and looks forward to creating lasting memories with each client.

Dennis is passionate about pursuing whitetails, having even owned his own whitetail consulting business. He had his hunts filmed and shared on Hunter's Specialties Primetime videos, and afterward was hired as a pro staff member on the TV show Driven with Pat and Nicole. When he's not helping clients achieve their land real estate needs, Dennis enjoys hunting and fishing, and spending time with his family, including wife, Janet, son Daniel, and daughter Brooklyn.
