OVERVIEW MAP

AGENT CONTACT

Drew Yarkosky has always had a passion for land. He grew up on a cattle farm near Albia, Iowa, where his father taught him the value and importance of being a 'caretaker' of the land, something that still resonates to this day. Being raised in a small town showed him the importance of accountability and integrity. He developed an interest in hunting and fishing at an early age, which sparked a career in the outdoor industry.

While in college, he began filming and editing shows for Midwest Whitetail, a semi-live online hunting series while playing baseball at Simpson College, giving him in-field experience learning management practices. After college, he moved to Missouri and continued to chase his passion working for Heartland Bowhunter, an award-winning series on the Outdoor Channel. By working on some of the best properties in the region, Drew developed the knowledge, experience, and respect for the outdoors, giving him a keen eye for reading a property and being able to represent his clients well to this day.

Drew enjoys spending time camping and hiking with his wife, Meg, and kids, Clara and Bowen. The family resides in Holt, MO. As an agent, he's known to offer solid advice whether it be on farming, ranching or hunting. Most importantly, he has a reputation for honesty, attention to detail, and reliability. Drew is truly invested in land as a whole and makes it his mission to find the right solution for buyers and sellers alike.
