MIDWEST LAND GROUP IS HONORED TO PRESENT

470 +/- ACRE WORKING CATTLE FARM

Right off blacktop east of Diamond and west of Pierce City, you will find 470 +/- sprawling acres ready for your livestock! The gently rolling pasture ground is fully fenced and cross-fenced with multiple paddocks, perfect for rotational grazing. Bringing substantial value to the land is a watering system that runs off a main well and is tied to 50+ waterers placed in each paddock. The farm also includes 3 homesteads: a 960 square foot manufactured home, a 1,431 square foot brick home, and a 1,820 square

foot home. The homes can be sold with or separately from the land. Additional improvements include a hay shed, an equipment shed, a dairy/cattle barn, and several grain bins. If interested in less acreage, ask about splitting as the farm can be divided. This farm is ready to go for that cattleman looking to expand or start their operations. Just in time for spring, the pasture is lush and the waterers are ready to go. Call Land Agent Kellen Bounous to tour this incredible southwest Missouri farm today!
