602 ACRES IN

LONOKE/JEFFERSON COUNTY ARKANSAS

MIDWEST LAND GROUP IS HONORED TO PRESENT

SOUTH ENGLAND TILLABLE FARM

The "South England Farm" consists of 602 +/- deeded acres located in Lonoke and Jefferson Counties along Highway 15, just south of England, ArA This total offering has 565 +/- tillable acres across two non-contiguous tracts. Both tracts are located in very near proximity to each other (within 1/4 mile) and are currently farmed by the same producer who has it leased through the 2025 crop year. The entire farm has been precision leveled and is also 100% irrigated making it a turnkey investment-grade farm. The southernmost tract in this offering is located along Highway 15, south of England, AR, and includes five (5) zero-grade fields and one (1) precision-level field. This portion of the farm is irrigated via three (3) electric wells strategically placed across the farm and one (1) diesel-powered unit located on a

recovery ditch near the south end. The northernmost tract is located on Tar Bottom Road and is comprised of four (4) zero-grade fields with one (1) precision leveled field located on the northernmost part all irrigated via two (2) diesel-powered turbine wells as well as a diesel-powered re-lift located on a recovery ditch near the middle of this tract. This farm currently has a tenant in place for the next two crop seasons (ends Dec 31, 2025) with a "flex" rent structure of \$225 cash rent or 77.5/22.5 crop share, whichever is greater. This tract also had a duck lease for the 23/24 duck season that brought in \$30,000/year. A verbal option is on the table for the same client to rent this farm for the 24/25 duck season should the new owner be inclined to take on that option.

AGENT CONTACT

Zach Luster has an extreme passion for the outdoors. He grew up hunting and fishing with his dad and was hooked at a young age. Born and raised in Jonesboro, Arkansas, Zach attended Jonesboro High School and graduated from Arkansas State University with a Bachelor of Science in Agriculture with an emphasis in Farm Management and minor in Plant Science. After school, he farmed and became a farm manager for a large-scale row crop operation, while also duck guiding in Casscoe and Egypt, AR. These experiences and knowledge of the soils led Zach to develop a strong desire for, and dedication to, land and agriculture.

At Midwest Land Group, he's able to fuel these passions, working in the outdoors with people who also love the outdoors. From chasing turkeys in the hills and guiding duck hunts in the river bottoms to farming for nearly a decade, Zach has spent his whole life dedicated to the land. He knows that there are abundant possibilities with each and every piece of property and what all it encompasses. Clients benefit from his loyalty, large network, and eagerness to succeed. Zach is married to his wife, Kailey, and together, they have a son, Holt. He is a member of the National Wild Turkey Federation and Delta Waterfowl, and serves as a Youth Director at Milligan Ridge Baptist Church. Other than hunting and fishing, Zach enjoys spending time with his family, attending church events and playing golf. Give Zach a call today to experience the Midwest Land Group difference.
