MIDWEST LAND GROUP IS HONORED TO PRESENT

PERFECTLY LOCATED BUILD SITE IN LAFAYETTE COUNTY, MISSOURI

Location is key when it comes to picking that ideal building location. These 10 acres fit the bill to perfection. With around 1,100 feet of Highway 13 frontage and over 500 feet of Hazel Dell Road frontage, the exposure is there. With Interstate 70 a mere 1/3 of a mile away, the ability to be in Kansas City or Columbia via the Interstate, has never been so close.

The makeup of the land is nearly 6 acres of timber and roughly 4 acres of open grass. Hay can be cut on the grass, if not chosen to be turned to lawn. With the land being located in the city limits of Higginsville, Missouri, the property isn't subject to the zoning of Lafayette County. This makes the ability to mold it to your liking much easier. Don't sleep on your chance to own this highly sought-after location. Water, electric, and fiber are all along the property and accessible.
