OVERVIEW MAP

AGENT CONTACT

Before joining Midwest Land Group, Matt captained charter fishing boats in Seward, Alaska, and worked in commercial crab fishing out of San Francisco. These experiences honed his ability to connect with people through the outdoors. Born and raised in Longview, Texas, Matt graduated from Hallsville High School and went on to earn a BS in Health Education from Texas A&M University.

Matt's love for the outdoors began on his grandparents' land, where he spent weekends and summers riding around with cousins, fishing ponds, and exploring the woods. This early connection to rural property laid the foundation for his career in land sales. Matt enjoys cultivating his family's land and hauling hay in the summers. An avid hunter, his adventures have taken him across the country, from whitetails in Texas to mule deer in Colorado and elk in Wyoming.

Matt resides in Bullard, with his wife, Jill, and their children, Jack and Lainey. Matt is actively involved in his community through Grace Community Church and the Tyler/Smith County A&M Club. His commitment to serving others is evident in his approach to land sales, where he strives to answer clients' questions before they even ask. For Matt, owning land in Texas represents freedom and opportunity. His goal is to help clients find their dream property or pass on their cherished land to new owners who will respect and care for it as much as they did.
