

MIDWEST LAND GROUP PRESENTS

VAN ZANDT COUNTY, TX

143 ACRES

MidwestLandGroup.com

MIDWEST LAND GROUP IS HONORED TO PRESENT

143.27 +/- ACRES WITH MINERAL RIGHTS CONVEYED

Nestled between Interstate 20 and Highway 80 lies an exceptional 143.27 +/- acre tract offering a unique and increasingly rare opportunity—100% of the owned mineral rights convey with the sale. This is more than just land; it's a full stake in everything beneath the surface, offering untapped potential for future value.

Primarily utilized for cattle, the property features two stocked ponds, a year-round live creek, and mature hardwoods, including oaks, elms, and pecans—all framed by wide-open pastures. Located at the end of County Road 1107, this secluded slice of Van Zandt County offers peace and privacy without sacrificing convenience.

Fully fenced and equipped with a barn and pens, it's ready for your livestock. With abundant recreational and hunting potential, this property provides both productivity and play. Scattered across the rolling terrain are several prime build sites with elevated views overlooking the landscape. Mill Creek runs through the heart of the property, offering a consistent water source and a scenic retreat for summer days.

Just minutes from Canton, and less than an hour from Tyler and the DFW metroplex, this land delivers on location, lifestyle, and legacy. With mineral rights included, you're not just buying land—you're securing everything above and below it. Don't miss this opportunity to own a truly complete piece of Texas.

OVERVIEW MAP

AGENT CONTACT

Before joining Midwest Land Group, Matt captained charter fishing boats in Seward, Alaska, and worked in commercial crab fishing out of San Francisco. These experiences honed his ability to connect with people through the outdoors. Born and raised in Longview, Texas, Matt graduated from Hallsville High School and went on to earn a BS in Health Education from Texas A&M University.

Matt's love for the outdoors began on his grandparents' land, where he spent weekends and summers riding around with cousins, fishing ponds, and exploring the woods. This early connection to rural property laid the foundation for his career in land sales. Matt enjoys cultivating his family's land and hauling hay in the summers. An avid hunter, his adventures have taken him across the country, from whitetails in Texas to mule deer in Colorado and elk in Wyoming.

Matt resides in Bullard, with his wife, Jill, and their children, Jack and Lainey. Matt is actively involved in his community through Grace Community Church and the Tyler/Smith County A&M Club. His commitment to serving others is evident in his approach to land sales, where he strives to answer clients' questions before they even ask. For Matt, owning land in Texas represents freedom and opportunity. His goal is to help clients find their dream property or pass on their cherished land to new owners who will respect and care for it as much as they did.
