

MIDWEST LAND GROUP PRESENTS

116 ACRES IN

WOODSON COUNTY KANSAS

MidwestLandGroup.com

MIDWEST LAND GROUP IS HONORED TO PRESENT

TOP-NOTCH SOUTHEAST KANSAS HUNTING AND RECREATIONAL FARM

This 116 +/- acre property is located in Woodson County just south of Yates Center, Kansas. The property is full of diversity with creek-bottom tillable fields, warm-season native grass meadows, and hardwood draws for hunting! It has 53 +/- tillable acres actively in production primarily made of Class II Helper silt loam soils with well-kept terraces, waterways, and field edges. The remaining 63 +/- acres consist of warm-season native grass meadows and a live creek lined with mature hardwood timber. The native grass is very clean with a great mix of little bluestem, big bluestem, and Indian grass. The timber has a good mix of red oak, sycamore, hedge, and eastern red cedar trees. South Owl Creek winds throughout the property providing year-round water, and a natural travel corridor for wildlife. There is also a large wet weather creek on the property.

The diverse habitat with abundant food and water creates some of the best whitetail deer, turkey, quail, and waterfowl hunting that Kansas is known for! The property is located in Kansas Deer Management Unit 11 and has excellent whitetail deer numbers. The property would also make a great building site as it is located on a well-maintained year-round gravel road with electricity, rural water, and a telephone line at the road. Mineral rights are intact and will be transferred to the buyer at closing. There is a cash rent oral year-to-year lease agreement in place on the tillable acres. This property truly has a little bit of everything from tillable income, native grass, mature timber, live creek, and great hunting! For additional information, disclosures, or to schedule a showing, contact Trent Siegle at (620) 767-2926.

OVERVIEW MAP

AGENT CONTACT

Trent Siegle knows the value of land. He grew up in a rural community, spending every weekend on the family farm raising crops, caring for livestock, and hunting. This helped sculpt him into the land agent he is today. Born in Wichita, raised in Council Grove, and having graduated from Emporia State University with a Bachelor of Science degree, Trent's roots run deep in Kansas. At Midwest Land Group, he's able to combine his love for farming, land management, and hunting with his goal of making people's dreams come true, whether it's a buyer looking to make memories on a piece of land or a seller looking to get the value their cherished land deserves. This accomplished archery hunter is the founder of the Council Grove Archery Club. He's also a member of QDMA, a Prostaff member of Heartland Bowhunter TV show, and a member of the First Congregational Church. Since he was a teenager, he's been a guide for the local Kansas Department of Wildlife and Parks annual youth turkey hunt. He harvested the second-largest non-typical archery buck in Kansas in 2016, won a Golden Moose Award with Heartland Bowhunter Prostaff/Team for Best Videography, and has had many articles and photos featured in a variety of hunting magazines. When not working, you can find Trent hunting, watching sporting events and spending time with his family, including wife, Catherine, and daughter, Harper.
