MIDWEST LAND GROUP IS HONORED TO PRESENT

DICKINSON COUNTY CROPLAND FARM

This 78 +/- acre tract is located in western Dickinson County, just south of Solomon, Kansas. It has 76 +/- tillable acres actively in production primarily consisting of Class III Irwin silty clay loam and Geary silt loam soils. The tillable acres have 1 to 7 percent slopes with well-kept terraces, waterways, and field edges. The tillable soils have an NCCPI overall weighted average of 61. The property has 75 +/- DCP crop base acres with an ARC County crop election. The remaining 2 +/- acres consist of a tame grass waterway with native grass and wooded draws along the property boundaries. There is a wet-weather creek along the east boundary of the property.

The diverse habitat with abundant food provides great whitetail deer, upland bird, and waterfowl hunting opportunities! The property is located on a well-maintained year-round gravel road with rural water and fiber optic cable at the road, electricity is nearby. Mineral rights are intact and will be transferred to the buyer at closing. There are no active leases or tenants' rights in place. Productive tillable farms in this area don't become available very often, don't miss out on this opportunity! Contact Trent Siegle at (620) 767-2926 for additional information, disclosures, or to schedule a showing.

AGENT CONTACT

Trent Siegle knows the value of land. He grew up in a rural community, spending every weekend on the family farm raising crops, caring for livestock, and hunting. This helped sculpt him into the land agent he is today. Born in Wichita, raised in Council Grove, and having graduated from Emporia State University with a Bachelor of Science degree, Trent's roots run deep in Kansas. At Midwest Land Group, he's able to combine his love for farming, land management, and hunting with his goal of making people's dreams come true, whether it's a buyer looking to make memories on a piece of land or a seller looking to get the value their cherished land deserves. This accomplished archery hunter is the founder of the Council Grove Archery Club. He's also a member of QDMA, a Prostaff member of Heartland Bowhunter TV show, and a member of the First Congregational Church. Since he was a teenager, he's been a guide for the local Kansas Department of Wildlife and Parks annual youth turkey hunt. He harvested the second-largest non-typical archery buck in Kansas in 2016, won a Golden Moose Award with Heartland Bowhunter Prostaff/Team for Best Videography, and has had many articles and photos featured in a variety of hunting magazines. When not working, you can find Trent hunting, watching sporting events and spending time with his family, including wife, Catherine, and daughter, Harper.
