MIDWEST LAND GROUP IS HONORED TO PRESENT

# PREMIER HUNTING & RECREATIONAL PARADISE IN JACK COUNTY

---

Welcome to an outdoorsman's dream—an exceptional hunting and recreational retreat in the heart of Jack County. With extensive road frontage on two sides, this sprawling property is loaded with abundant wildlife, including deer, turkey, ducks, hogs, and coyotes, making it the perfect destination for avid hunters and nature enthusiasts alike.

A well-established trail system ensures easy access throughout the property, leading to three tanks. The largest, located at the front, is essentially a small lake, home to bass, crappie, and catfish—ideal for fishing and relaxation.

The land features over 150 feet of elevation change, with two prominent hills offering breathtaking views of the

countryside. The west hill, one of the highest points in Jack County, provides a stunning vantage point to take in the beauty of the surrounding landscape. Most of the land is heavily wooded with towering oaks and mature timber, creating excellent cover for wildlife and a serene, secluded atmosphere.

A fully equipped hunting lodge sits at the front of the property, providing a comfortable retreat after a day outdoors. Just behind the lodge, a spacious shop offers ample storage for gear and equipment.

Whether you're looking for a prime hunting destination, a weekend getaway, or an investment in premier recreational land, this property offers unmatched potential.
