MIDWEST LAND GROUP IS HONORED TO PRESENT

# SECLUDED 5 BEDROOM HOME WITH GUEST HOUSE, BARN, AND RIVER ACCESS ON 18 +/- ACRES

---

Tucked away amidst the beauty of nature, this stunning 2-story, 2,640-square-foot home offers peace and privacy with the convenience of modern living. The tree-lined driveway guides you to this serene estate, where you'll find a gorgeous residence, extensive outdoor amenities, and endless recreational opportunities.

Built in 2001, the spacious main floor includes an open kitchen with a large center island, perfect for entertaining or casual meals, as well as a generous dining area. The living room features a charming LP fireplace, creating a cozy atmosphere for gatherings. A convenient bedroom and full bath complete the main floor layout. Upstairs, you'll find 4 large bedrooms, a full bathroom, and a cozy sitting area. Two expansive decks run the length of the home, offering perfect spots to relax, take in the views, and enjoy the outdoors. The 2-car garage has been thoughtfully renovated to add two additional bedrooms, bringing the total to 7 bedrooms in the home. The 2022 HVAC system includes an electric furnace that supports the wood-burning stove, ensuring comfort throughout the year.

The property also features a 24'x50', 1,200-square-foot partially finished guest house, with a workshop and 2-car garage. The main level workshop is equipped with in-floor radiant heat powered by the wood boiler. The second floor is framed for two bedrooms and a bathroom, with a spacious living area that could easily be

finished to create a second home, rental unit, or Airbnb. Rural water and electricity are already connected to the building, making it easy to complete or convert.

The well-designed barn includes 4 horse stalls, each with runs, and a cattle dry lot. Each stall is equipped with auto waterers and lights, providing ultimate convenience for animal care. The barn also features a built-in chicken coop with nesting boxes, a tack room with saddle racks, and a feed alley that runs the barn's length.

The property has seen significant improvements, including dozer work to clear more pasture ground, enhance ditches, and improve the area around the stocked pond. Full-grown apple trees were transplanted to create a lush border along the southeast property line. Multiple trails have been created for easy access throughout the property, including the timbered areas. Hunting enthusiasts will appreciate the strategically placed hunting stands and additional water holes for wildlife. Enjoy direct access to the Des Moines River from your backyard, providing endless opportunities for fishing, kayaking, and other outdoor recreation.

Whether you're seeking a private retreat, a hobby farm, or a fully functional equestrian property, this estate offers it all. Schedule your showing today to experience this rare opportunity in person!
