MIDWEST LAND GROUP IS HONORED TO PRESENT

HIGHLY TILLABLE ACREAGE WITH BUILD SITES ALONG THE SOUTH GRAND RIVER

Located southwest of Harrisonville, Missouri along the South Grand River lies this beautiful gently rolling 94 +/- acres. Featuring a large ridge top running along South Grand River Road with the acreage gently rolling west and south towards the river. The river banks are lined with huge sycamores, cottonwoods, and oaks creating a wonderful travel corridor for wildlife and a scenic setting. The farm features 75 +/- tillable acres currently in row crop production, generating a nice income stream for the new owner. For those looking for waterfowl, there is

a secluded river bottom field tucked along the river that would be ideal for waterfowl development or the perfect spot for a large wildlife food plot. There are multiple build sites that would allow for walk-out basements. This would be a great place to build a home or lodge and enjoy all the country has to offer, but still being only 40 minutes to Kansas City. Call Steve Mott with Midwest Land Group at (816) 718-7201 with questions or to arrange a private showing.

OVERVIEW MAP

BROKER CONTACT

Midwest Land Group broker Steve Mott has grown up hunting and managing his family farms in Western Missouri. Steve values land ownership and the rewards of managing and owning his own property. An accomplished hunter himself, Steve has harvested many great whitetail bucks and eastern turkeys off of his family farms over the years. A graduate of the University of Central Missouri, Steve and his wife Sarah their daughter Kennedy and twin boys Baylor and Halston reside in Lee's Summit. They enjoy the outdoors, golfing, barbequing and spending time with their friends, family, and their 2 dogs, Dakota and Maci.

Steve still owns and actively manages four farms in Western Missouri. Steve is involved in the Quality Deer Management Association and has earned the Level Two Deer Steward. He is very knowledgeable on agriculture and timber production, government land programs, wildlife habitat and management, planting and establishing foodplots, controlled burns, trail camera surveys and many other aspects of land management. Steve truly enjoys working and helping others achieve their land ownership goals. He understands that investing and purchasing your own property is one of the most important decisions an outdoorsman/landowner will make. Steve is dedicated to ensuring all clients are given first class attention and applies his personal mission statement "treat others as you would want to be treated" to all transactions. Let Steve Mott put his knowledge and dedication to work for you.
