AGENT CONTACT

Trent Siegle knows the value of land. He grew up in a rural community, spending every weekend on the family farm raising crops, caring for livestock, and hunting. This helped sculpt him into the land agent he is today. Born in Wichita, raised in Council Grove, and having graduated from Emporia State University with a Bachelor of Science degree, Trent's roots run deep in Kansas. At Midwest Land Group, he's able to combine his love for farming, land management, and hunting with his goal of making people's dreams come true, whether it's a buyer looking to make memories on a piece of land or a seller looking to get the value their cherished land deserves. This accomplished archery hunter is the founder of the Council Grove Archery Club. He's also a member of QDMA, a Prostaff member of Heartland Bowhunter TV show, and a member of the First Congregational Church. Since he was a teenager, he's been a guide for the local Kansas Department of Wildlife and Parks annual youth turkey hunt. He harvested the second-largest non-typical archery buck in Kansas in 2016, won a Golden Moose Award with Heartland Bowhunter Prostaff/Team for Best Videography, and has had many articles and photos featured in a variety of hunting magazines. When not working, you can find Trent hunting, watching sporting events and spending time with his family, including wife, Catherine, and daughter, Harper.
