MIDWEST LAND GROUP IS HONORED TO PRESENT

RANCH STYLE HOME ON 7 +/- ACRES BETWEEN SKIATOOK AND COLLINSVILLE

If you have been looking for a home with acreage in close proximity to Tulsa, Owasso, Skiatook, and the Collinsville area, then this is one to check out. Located in Northern Tulsa County just east of Skiatook, two miles west of Highway 75 and north of Highway 20, $\frac{3}{4}$ mile. This property sits on paved Lewis Ave and comes with 7 acres +/- where more or less acreage could be negotiated for sale.

The farm has been kept in the same family for 51 years, and one will be quick to tell how well taken care of the ground has been kept.

The 3 bed, 2.5 bath home was built in 1974 and has plenty of living space. There are two sunrooms that were added on over the years and would make for a great place to sip on your morning coffee while watching the sun come up! The home has an office downstairs, along with a bedroom/bathroom and master suite upstairs. There's a 45'x70' barn out back to store all your tools and equipment! The views are truly spectacular and still within close proximity to larger cities, but far enough to be out in the country. The home also includes an in-ground pool; however, the sellers are unaware of the condition it is in.

AGENT CONTACT

Buying or selling real estate can be stressful and overwhelming and Paul is the kind of agent that loves to help people with their real estate needs. One of the reasons Paul came into this market is because he loves meeting new people and building lifelong relationships. Paul was born and raised in Oklahoma and a graduate of Oklahoma State University. He and his wife moved their family to live in Kansas for several yrs giving him an opportunity to know both markets and areas well.

With a lifelong obsession for the outdoors, hunting, and improving the land, Paul found his calling at Midwest Land Group, where he's able to fulfill his dream of working outdoors. He enjoys sharing a passion and talking with people about all facets of land – whether hunting, habitat improvement or investing – all while being able to create value for both his buyer and seller clients. When you work with Paul, rest assured he'll do everything he can to provide great customer service to reach the end goal of his clients.

Paul and his family reside in Oklahoma now and when he's not working, you can find Paul enjoying life and the outdoors year-round with his family. Paul is very active in his community helping coach youth sports and serving at his local Church. Paul lives with his wife Whitney and, together, they have three children, Ryker, Tymber, and PC. Give Paul a call today and let him help serve you in your real estate needs!
