#### MIDWEST LAND GROUP IS HONORED TO PRESENT

# TILLABLE FARM WITH HIGHLY PRODUCTIVE SOIL IN LAC QUI PARLE COUNTY

This is a great opportunity to own a well-stewarded tract of highly productive tillable ground in Lac qui Parle County, Minnesota. Located about 7 miles south of Madison, Minnesota, this 77+/- acre farm with 70+/acres of highly productive tillable ground boasts a CPI rating of 91.9 and another 4.8+/- acres enrolled in the RIM Program. The current renters have been exceptional stewards of this land for over a decade, and took it upon themselves to add tiling in areas for proper water diversion, further adding value. Recent yields for this tract have brought 190 bushel/acre corn and the low to mid-50s for soybeans. Bordering the north side of this property sits Cory Lake, which has been utilized as a reliable water outlet for the current renter. Current cash rent is \$15,500 annually. The tillable ground is currently leased through 2025.

In addition to its agricultural uses, this property is loaded with deer, pheasant, and waterfowl opportunities. As soon as I stepped foot on this piece, I heard pheasants cackling, laid eyes on tons of ducks, rubs, scrapes, and whitetail trails. Hamlin Wildlife Management Area borders this tract's north and east sides, opening up over 320 acres of additional deer, pheasant, and waterfowl opportunities right out the back door. The 4.8+/- acres enrolled in RIM is the cherry on top. There are multiple locations for stands and blinds. A pond situated in the middle serves as a hidey hole water source for wildlife. It acts as a heavily traveled corridor for deer and a perfect staging area for waterfowl and pheasant with its thick cover areas. Don't miss your chance to own this productive tillable tract with endless hunting opportunities!

#### AGENT CONTACT

Cole Peplinski's journey into land sales was driven by his profound respect for farmers, ranchers, and landowners, cultivated through extensive handson experiences. His roles as a waterfowl hunting guide, turkey outfitter, ranch hand, and experience in agricultural equipment sales have provided him with invaluable insights into land management, farming, and ranching practices, and the importance of strong relationships. The relationships he built while attending the University of Nebraska-Lincoln and following graduation working in Marketing at Bass Pro Shops and Cabela's headquarters in Missouri where he oversaw the company's national hunting pro team have helped him continue to gain experience with various types of landowners and build lasting relationships within the outdoors industry.

A resident of Alexandria, Minnesota, Cole brings a wealth of passion to his role deeply rooted in his love for the outdoors. From his very first hunt, he knew he had found a lifelong passion, which has only grown over the years as he has continually honed his knowledge of various terrains, types of game, and conservation skills. As a professional hunting guide, he's worked with hunters of all expertise levels and understands what type of experience each is looking for so he can find properties that cater to those needs.

Cole is actively involved with the National Wild Turkey Federation and the National Deer Association. His diverse background, relentless drive, and commitment to continuous learning make him a trusted advisor for clients looking to buy or sell land. Cole's strong work ethic, excellent communication skills, and deep understanding of land values ensure that his clients receive the best possible service and outcomes.
