AGENT CONTACT

A lifelong outdoorsman, John brings a wealth of hands-on experience and passion for land to his clients. From an early age, he developed a deep connection to rural properties while working on his grandfather's farm in Byram, Mississippi, where he learned the ins and outs of hunting, cattle management, and farming. Over the years, he continued to deepen this bond by working on a hay farm in Calhoun, Louisiana, and later owning and managing his own farm in Benton, Mississippi. His experiences have instilled in him a comprehensive understanding of what makes a property valuable and how to maximize its potential for both enjoyment and investment.

With 20 years of sales experience and 15 years of owning and leasing land, John offers a unique blend of professional expertise and personal passion. He excels at evaluating properties for hunting and agricultural potential, using his extensive knowledge of aerial mapping, wind patterns, access points, and farm layout optimization. A bowhunter and outdoorsman, John's ability to connect with clients on both a practical and emotional level makes him a trusted partner for buying or selling land.

Outside of real estate, John is active in his community and attends Morrison Heights Church in Clinton. Whether you're looking to sell your property or find your dream farm, with John you can expect honesty, hands-on experience, and willingness to share insights gained from years of setting up and managing successful properties.
