

MIDWEST LAND GROUP  
PRESENTS

# BARRY COUNTY MISSOURI

320 ACRES

MIDWEST LAND GROUP IS HONORED TO PRESENT

# THE ULTIMATE BARRY COUNTY RECREATIONAL FARM

---

Located just west of Roaring River State Park and south of Cassville, Missouri is the large acre hunting farm you have been waiting for! This recreational oasis is 320 +/- (ask about additional acreage) acres of beautiful ridge tops, rolling hills, and a large stretch of bottom ground. Farm Road 1090 dead ends at the property gate allowing seclusion and the avoidance of high traffic and road hunters. As you enter the property you are met with a gorgeous clearing chalked full of young walnut trees. As you proceed, you are met with a wet-weather creek that runs through the property and will flow pretty steadily when it rains. Cross the creek crossing and continue the path to the first Redneck blind overlooking a big portion of the bottom ground.

Up the hill is the heart of the property. A fully furnished 12'x40' hunting cabin with sink, fridge, television, bunk beds, kitchen, bathroom, and a wrap-around deck that allows for incredible views. Utilities include a well, septic, propane for heat, and solar for electricity. Next to the

cabins is a 50'x40' metal machine shed to store your tractor and implements. Just down the hill is Redneck number two overlooking another great spot for a food plot. The property boasts several mature oaks that will drop plenty of food, but with ample water, cover, and extra food the potential of this farm is endless.

If you prefer hunting timber, established trails work their way up on top of the ridges where two more food plots can be found. The property does have a gated entrance on the west side of the property that leads to an overgrown field and Redneck blind number three. A small pond is also on the west side. During picture day, mature gobblers lit up the woods and a trail camera has already caught one tom, a bobcat, and several deer. This property truly is a must see and a turn-key hunting farm for anyone looking for their dream recreational tract. Only a short drive to Cassville and about 40 minutes to Bentonville, Arkansas. Call land agent Kellen Bounous today to schedule a showing!

# AGENT CONTACT

With a passion for customer service, Kellen Bounous is ready to help his clients achieve their land dreams. Sellers and buyers alike benefit from his drive and determination, as well as his promise to stick by them throughout the entire process, going above and beyond to ensure the smoothest and most stress-free transaction possible.

Kellen's commitment to customer service comes from a background of managing more than 200 farmers and truckers in the grain industry. Previously, he was a district sales manager for an ag company, as well as a grain merchandiser for a grain company, buying and selling corn, soybeans, and wheat in Missouri, Kansas, and Arkansas.

Born in Springfield, MO, Kellen grew up on a farm near Monett, MO, helping his dad with row crops and Kentucky 31 fescue seed. After graduating from Monett High School, he attended the University of Missouri-Columbia, where he obtained a degree in Agriculture Business as a three-year student-athlete wrestler. Kellen earned Master's in Business Administration from William Woods University in Fulton, MO, and, to this day, still helps his dad with harvest on the farm when he can.

Kellen has a strong passion for anything outdoors, in particular chasing whitetail deer. He enjoys bow hunting turkey, duck hunting, farming, fishing, and golf. He serves as a volunteer wrestling coach for Carthage High School and lives in Carthage, MO, with his wife, Torie.
