MIDWEST LAND GROUP IS HONORED TO PRESENT

# STUNNING RANCH HOME ON 62 +/- SCENIC ACRES

---

Nestled in the rolling hills and river bluffs of Buchanan County lies this incredible home on acreage. The spacious ranch house sits on top of 62 +/- gorgeous wooded acres which is an unmatched combination you have to see for yourself. If you are looking for plenty of house with lots of room to roam, this one checks the boxes.

A paved driveway leads up to the beautiful well-built brick home. The layout includes 3,650 square feet with 3 bedrooms, 3.5 bathrooms, 2 separate living areas, a formal dining room, laundry/mud room, and a lovely kitchen with an island on the main level. The master suite includes a spacious 15.5'x21.5' bedroom, a double vanity bath with a walk-in shower, a large walk-in closet, and a sliding glass door that leads to an attached deck. The focus of the home is all about the outdoors with 4 sliding-glass doors leading out to the pool and patio. The house runs on all electric heat, and rural water and has fiber internet. Additional features include lots of closets and built-in cabinets. An attached 3 1/2 car garage adds to the convenience of the home. The roof and gutters are only 3 years old.

The home has a fully finished basement that is an additional 3,650 square feet. A large living area with a bar makes for an ideal place to host parties. Two additional non-conforming bedrooms, a card room, and another full bathroom are located downstairs as well as a small workshop. Lastly, there is also a fitness room with a walk-out sliding door. The entire home is quality-built and extremely clean and well-maintained.

Living in the country means enjoying and embracing the outdoors. One of the most attractive features of the property is the 34'x46' saltwater pool behind the house. The patio makes for the ideal area for spending the summer months outside. The large yard looks like a park and is extremely well-manicured. Additionally, there is a 45'x63' Cleary metal outbuilding with 14-foot side walls and tons of space for equipment, storage, and toys. The shop has a concrete floor, water, and electricity and was built in 2000.

What makes this setup truly one-of-a-kind is the addition of the land. The home sits on 62 +/- acres of wooded timber, small fields, and mowed trails. The topography of this region is something you have to see to appreciate. Deer and turkey are frequently seen on the property and the area is known for great hunting. The timber consists mostly of black locusts, oaks, walnut, and sycamore trees. One of the biggest groves of paw-paw trees I have ever seen lies along the valley on this farm north of the house. A secluded 2.5-acre field on the northern edge of the property would make for an ideal food plot.

The property is an easy drive to Saint Joseph and only 30 miles from Kansas City Airport, making for a convenient commute to work. Kansas City is also less than an hour's drive. Call Drew Yarkosky at (816) 599-3647 for more details, and disclosures or to schedule a showing today.

# AGENT CONTACT

Drew Yarkosky has always had a passion for land. He grew up on a cattle farm near Albia, Iowa, where his father taught him the value and importance of being a 'caretaker' of the land, something that still resonates to this day. Being raised in a small town showed him the importance of accountability and integrity. He developed an interest in hunting and fishing at an early age, which sparked a career in the outdoor industry.

While in college, he began filming and editing shows for Midwest Whitetail, a semi-live online hunting series while playing baseball at Simpson College, giving him in-field experience learning management practices. After college, he moved to Missouri and continued to chase his passion working for Heartland Bowhunter, an award-winning series on the Outdoor Channel. By working on some of the best properties in the region, Drew developed the knowledge, experience, and respect for the outdoors, giving him a keen eye for reading a property and being able to represent his clients well to this day.

Drew enjoys spending time camping and hiking with his wife, Meg, and kids, Clara and Bowen. The family resides in Holt, MO. As an agent, he's known to offer solid advice whether it be on farming, ranching or hunting. Most importantly, he has a reputation for honesty, attention to detail, and reliability. Drew is truly invested in land as a whole and makes it his mission to find the right solution for buyers and sellers alike.
