MIDWEST LAND GROUP IS HONORED TO PRESENT

# TURN-KEY HOBBY/HUNTING FARM WITH BUILD SITE

Here is a rare opportunity to own a versatile and thoughtfully developed 50 +/- acre property that offers both seclusion and accessibility. Located on the edge of the river town of Linn Grove, Iowa, this unique parcel is tucked off the road with a gravel driveway leading to a private, established build site. The site includes a well and electric service that was refreshed in 2023, ready for your dream home or getaway. Nature lovers will appreciate the native trees—oaks, crabapples, and plums and abundant wildlife, including deer, turkeys, pheasants, and a variety of birds. During a recent visit, a rare scarlet tanager was even spotted. A year-round creek winds through the property, adding to its natural charm.

For hunters and conservationists, this property delivers. Carefully managed for habitat and local deer genetics, it includes two deer stands, well-placed food plots, and good cover. Three food plots are currently planted with clover, alfalfa, turnips, and chicory to support year-round game activity. Combined with brome grass fields

used for hay, farmable areas total approximately 11+/- acres. The current owner worked with NRCS and DNR to establish a conservation plan that includes a surveyed site for a pond, pollinator acres, and more, offering a solid base for the next owner to continue or customize. Whether your goal is hunting, hobby farming, or land stewardship, this property is ready to support it.

In addition to its recreational appeal, the property has features suited for agricultural or event use. A 30 foot diameter solid steel grain bin and a clean 40'x64' foot barn provide functional infrastructure that could support livestock, storage, or even be transformed into a picturesque event venue. With ample open ground, there is plenty of opportunity for pasture as well. You'll be hard-pressed to find another property in the area that combines this level of diversity and character. A rare find—don't miss out. Contact Land Agent Andrea Larson at (319) 572-9260 to schedule a viewing. Pre-approval is required prior to showing.

# OVERVIEW MAP

# AGENT CONTACT

Born and raised in Mediapolis, Iowa, Andrea Larson grew up on her family's farm, where she first developed a passion for the outdoors and agriculture and learned to appreciate and manage land and livestock. Her father sold land and real estate, and she holds fond memories of spending countless hours riding around with him, learning how to build relationships with clients and serve them well.

After graduating from Mediapolis High School, Andrea went to Wayne State College where she played collegiate basketball for four years and earned a Bachelor's of Business Administration degree with a focus in Agriculture. At Midwest Land Group, Andrea is able to leverage her passion for the outdoors while building relationships with like-minded individuals. Her business practices are rooted in her faith, with service to others as her motivator, and always operates with integrity, trust, and respect. She goes out of her way for her clients, doing all she can to ensure that they achieve their land ownership goals.

Andrea is an active member of Meriden Evangelical Free Church and serves as a youth group leader. She likes to spend as much time outdoors as possible, often seeking out new hiking trails and kayaking routes, trap shooting, and camping off-grid. She has a large garden plot that she produces from and has a goal of becoming as self-sustained as possible.
