AGENT CONTACT

Born and raised in East Texas, Mike grew up hunting on family land passed down through generations, developing a profound appreciation for land stewardship, wildlife management, and the rural way of life. With degrees in Geology and Natural Sciences from Stephen F. Austin State University, Mike possesses a scientific understanding of land, soil, and water resources that helps him evaluate properties with precision. Before transitioning to real estate, he spent over a decade as an educator and leader, teaching high school science and later serving as an assistant principal. His leadership experience instilled in him the ability to listen, problem-solve, and communicate effectively—skills he now applies to guiding clients through the complexities of buying and selling land.

Beyond real estate, Mike owns Reel Texas Outdoors, a business specializing in bait fish traps and fish-holding cages for anglers. His expertise in deer hunting, bass fishing, trapping, and land management makes him a trusted resource for clients looking to maximize their property's potential. Committed to honesty, attention to detail, and personalized service, Mike works with integrity and dedication to help clients achieve their landownership goals.

When he's not working with clients, Mike enjoys bowhunting whitetails, fishing, and spending time with his wife, Jessica, and their two sons, Wyatt and Easton. He is an active member and elder at Fredonia Hill Baptist Church in Nacogdoches and believes in serving others with the same passion and commitment he brings to every land transaction.

If you're looking for an agent who truly understands land, values relationships, and works tirelessly to get results, Mike Smith is ready to help you find your perfect property or get top dollar for your land.
