# HUNTING, RECREATIONAL, FARMING, AND AIRBNB OPPORTUNITIES OUTSIDE OF SPRINGFIELD, MISSOURI

---

This Greene County farm checks all the boxes! Located 30 minutes west of Springfield, Missouri, this 134 +/- acre property offers a diverse combination of hunting, recreational, farming, and even Airbnb opportunities. Imagine a secluded paved driveway leading back to a private entrance. Situated up the drive, the home is a 5 bed, 3 bath with over 4,616 square feet (2,700 finished), an open concept living room and kitchen, beautiful hardwood flooring, granite countertops, a gas fireplace, and a wrap-around deck to enjoy the views and seclusion of the great outdoors. An unfinished basement offers tons of additional space and a storage area. It also features a two-car attached garage and a separate well house.

Down from the home is a private 1,000-square-foot bunk house that has a full kitchen, game area, living room, full bedroom, and full bathroom. It has its own outdoor sitting area with a fireplace and offers a perfect space for guests to stay, or could be considered a mother-in-law suite. The bunkhouse connects to a large shop area with plenty of space to tinker on your next project. An office is also attached for anyone looking to operate a business on the property. Additional improvements include a large equipment shed and a large storage shed.

One cannot miss the beautiful year-round creek that winds its way through the property. A fishing pond complete with a dock is also an added recreational feature. The land is a gorgeous mix of open pasture and mixed timber. The farm boasts some mature trees with a great mix of walnut, white oaks, red oaks, and cedars. Established trails run throughout the farm, allowing fun UTV rides and easy access to your deer stands. Love chasing whitetails? This farm is home to an abundance of deer, I have jumped several bucks every time I take a tour.

Looking to run cattle? The pasture is primarily a fescue blend and is perfect for grazing or haying. A cattle working area is already in place, and the property is fully fenced and cross-fenced. Want additional income besides farming? The home has Airbnb potential and has been used as such in the past years. However, feel free to make this farm your forever place! What an opportunity to own a property with so much to offer in a great location, just outside of Springfield, Missouri (Ash Grove School District). This farm is the total package with so many opportunities for its next owner! Call land agent Kellen Bounous today to schedule an appointment!

After graduating from Monett High School, he attended the University of Missouri-Columbia, where he obtained a degree in Agriculture Business as a three-year student-athlete wrestler. Kellen earned Master's in Business Administration from William Woods University in Fulton, MO, and, to this day, still helps his dad with harvest on the farm when he can.

Kellen has a strong passion for anything outdoors, in particular chasing whitetail deer. He enjoys bow hunting turkey, duck hunting, farming, fishing, and golf. He serves as a volunteer wrestling coach for Carthage High School and lives in Carthage, MO, with his wife, Torie.
