MIDWEST LAND GROUP IS HONORED TO PRESENT

# COMMERCIAL OPPORTUNITY IN NWA

---

Located just a few miles south of Elkins is this commercial building with potential for a multitude of uses. This building has been extensively remodeled and currently serves as a turn-key butcher shop. All the necessary equipment is in place to continue operating, such as a hanging room, holding pens, a freezer for finished product, stainless steel tables, a band saw, a commercial grinder, a commercial vacuum sealer, and a two-compartment large stainless sink. The building has 4,100 +/- square feet of heated/

cooled area. This property has been a successful general store in the past as well, and this is due in large part to its location. The property has Highway 16 road frontage and is less than 25 minutes to Interstate 49 in Fayetteville. This stretch of Highway 16 has great visibility and a good daily traffic count. 5 minutes to Elkins and only a stone's throw to the White River. The possibilities are endless, so don't miss this opportunity to become a business owner in this fast-growing area!
