# AGENT CONTACT

Cameron is a wizard at seeing land for what it is – and what it could be. With a vision-driven approach, he helps clients uncover what others might miss. Whether it's evaluating timber, building access, designing food plots, or imagining a lake where there isn't one yet, Cameron brings both experience and a woodsman's intuition to every property he walks. A lifelong hunter, angler and outdoor enthusiast, plus a skilled developer, he understands the value of land because he's done a bit of it all — owning and improving everything from East Texas subdivisions to Midwestern farms.

Born and raised in Tyler, Texas, Cameron grew up on a working farm in Rusk County, where the Angelina River cuts through hardwood bottoms and pine-covered hills. It's where he first learned to hunt, fish, and many woodsmanship skills from his dad and grandfather. Today, Cameron is dedicated to honoring his great-grandfather's legacy by continuing the work they began on the family farm together.

He earned his associate's degree from Tyler Junior College and launched his first business at 16. Over the years, his hands-on experience in land development has deepened his ability to guide clients with confidence, honesty, and care.

Cameron lives in Bullard with his wife, Meredith, and their son, Stetson. He's an Eagle Scout, a landowner, and a trusted partner for anyone looking to buy or sell land in East Texas.
