MIDWEST LAND GROUP IS HONORED TO PRESENT

THE ULTIMATE LEGACY RETREAT IN THE FLINT HILLS OF KANSAS

Nestled within 398 acres +/- of rolling hills, timber-lined draws, native grasses, and serene seclusion lies this extraordinary custom lodge — a sanctuary of both luxury and adventure.

Welcome to a once-in-a-generation opportunity to own a turn-key hunting lodge estate in the heart of the Kansas Flint Hills. This 4-bed, 3-bath custom-built lodge offers 2,807 square feet of refined rustic living on 398 +/- secluded acres. Overlooking a private 12 +/- acre stocked lake with a fishing dock and trophy bass, the lodge boasts vaulted ceilings, a stone fireplace, a gourmet kitchen, and breathtaking lake views. Outback, you will find a 40'x30' shop with a lean-to, bath/shower combo, and plenty of space to support your gear and lifestyle. The lodge can sleep up to 16 people and has also been used as a short-term rental in the off-season, bringing in additional revenue.

This turn-key hunting ranch in the Flint Hills of southern Kansas is the ultimate sportsman's retreat. Split between two separate tracts within 1/2 mile of each other gives plenty of opportunities to chase and harvest trophy Kansas bucks, just look at the harvest pictures for proof.

This place is surrounded by large legacy ranches, which enhance the privacy and appeal while also keeping surrounding hunting pressure down to a minimum. The sellers have managed this property for trophy whitetails over the years, and it comes turn-key with multiple food plots set up, four 1,000-pound feeders, 4 Krivoman deer blinds, multiple stands, and a proven big buck history. After a morning of chasing those Kansas giants or spring thunder chickens, come back and relax at the lodge and wet a line to have an opportunity of catching giant, large-mouth bass off the private dock, with proof of 8-10 pounders being caught and released over the years.

The sellers have managed this property well over the years, and it's time to pass it along to new owners who will steward the property to perfection and carry on the legacy of a truly spectacular place. This rare and ready turn-key Kansas hunting property with luxury comforts built in can fit many needs, whether it's a group of hunters wanting a Kansas Hunting gem, a family wanting a weekend retreat, or someone wanting to put down their roots and make a permanent residence. Call listing agent Paul Smith for more information (918) 397-2737. Shown by appointment only.
