MIDWEST LAND GROUP IS HONORED TO PRESENT

22.91 +/- ACRE EQUESTRIAN PARADISE IN DALLAS COUNTY - LIVE, WORK, & RIDE

Welcome to a rare opportunity on the Dallas/Madison County line with nearly 23 +/- acres of versatile land designed to meet the needs of equestrians, entrepreneurs, and families alike. Just two miles from Earham, less than two miles from Interstate 80, and only 15 miles from West Des Moines, this property offers the perfect balance of rural tranquility, modern convenience, and unlimited potential. Located in the highly sought-after Earham School District, it's a setting that delivers both lifestyle and opportunity.

At the heart of the property is an oversized barndominium featuring three bedrooms and a full basement, providing nearly 3,300 unfinished square feet ready for your custom touch. Step out onto the upper-level walkout deck to enjoy sweeping views of the surrounding timber and countryside. Attached is a massive 7,500 square foot, fully insulated shop - a true standout for business or hobby use. Complete with heat, concrete floors with drains, four oversized overhead doors, two office spaces, and two restrooms, it's perfectly suited for a trades business, construction company, or serious workspace needs.

For horse lovers, the equestrian facilities are ready for you! A 48'x74' horse barn with an 18'x66'

addition and covered lean-to features five spacious stalls, three with private runs, and room for more. Equipped with heat, water, electricity, a dedicated tack room for up to 25 saddles, and office space, it's designed for both comfort and efficiency. Outdoor amenities include an arena, multiple turnouts (some with covered areas), and abundant panels and gates for flexible use. A 30'x40' loafing shed with lean-to provides additional shelter for livestock, while a 42'x64' metal storage building - already set up with water, electricity, and septic - offers prime potential for finishing as an additional open-concept barndominium.

Adding to the charm, a spring-fed creek meanders through the acreage, creating a picturesque backdrop and peaceful atmosphere. The land itself provides ample space for future growth, whether that's expanding facilities, adding pasture, or utilizing the 2 +/- acres of row crop ground.

Whether you're looking to establish a premier equine operation, expand a business, or create a one-of-a-kind family homestead, this property offers unmatched flexibility, functionality, and location. Call Aaron Creger directly at (515) 491-9567 for more information or to schedule your private tour.
