98 ACRES
MARION COUNTY, AR

County Road 6061, Flippin, Arkansas 72634

MIDWEST LAND GROUP IS HONORED TO PRESENT

98 ACRES OF RUGGED OZARK BEAUTY - CAVES, RIDGES, & EXCELLENT VIEWS

Tucked away in the heart of Marion County, this 98 +/- acre property is a true slice of the Ozarks. Accessed by a deeded easement off County Road 6061, you'll immediately find yourself on the main ridge that stretches north and south through the property. There's plenty of room here to build your getaway cabin, clear a homesite, or carve out food plots for wildlife.

From the north side of that ridge, the land drops nearly 400 feet into a hollow with a wet-weather creek that still held water even through the hottest, driest days of summer. While exploring the bottom between the two ridges, you'll find a substantial cave—one of those classic Ozark features that adds recreational interest for kids and adults alike and speaks to the rugged character of the property. To the northeast, the terrain climbs another 300 feet, leading you to a secondary ridge along the eastern boundary that runs all the way to the southeast corner. The rolling ridges, hollows, and elevation changes give this tract the kind of rugged Ozark beauty that feels like stepping back to a simpler time.

Primarily a hardwood timber tract with some pine mixed in, the property shows abundant wildlife sign. Deer and turkey use the ridges heavily—rubs, scrapes, bedding areas, and well-traveled trails are easy to find—making this a great hunting property with multiple natural stand

locations and opportunities for food plots. A small clearing already exists on the north end of the main ridge, ideal for a plot or an off-grid homesite. There's also a metal shell from a structure that was once planned as a cabin; while unfinished, the frame may offer value to someone looking to utilize or repurpose it in their own plans. With some selective clearing, the higher ground could offer outstanding long-range views as well.

This is a private setting surrounded by some of the best outdoor recreation in Arkansas. Just 20 minutes east, you'll find the world-class trout waters of the White River and the tailwaters of Bull Shoals Lake. Head 30 minutes south and you're at the Buffalo National River for epic float trips and smallmouth bass fishing. Mountain Home is just 45 minutes to the northeast, and Flippin only 30 minutes north, giving you convenient access to restaurants, shops, and supplies.

Yes, the Ozarks have their rugged side, but that's where their charm lies. As the old saying goes: "Anyone can love the Rockies, but it takes a real soul to love the Ozarks." This tract embodies that spirit—beautiful timber, abundant wildlife, caves and natural features, ridges and hollows, and a setting that feels far away from the world yet close enough to enjoy everything that makes north-central Arkansas special.
