AGENT CONTACT

When it comes to discussing land or habitat improvement, Will Pester's enthusiasm and passion for the outdoors always shine through. Will was born and raised in Pawhuska, Oklahoma, a little over an hour's drive north of Tulsa. Here, he graduated from Pawhuska High School, went on to attend Rogers State University in Claremore, then obtained a Bachelor's Degree in fire protection and safety technology engineering from Oklahoma State in Stillwater.

For several years, Will worked in the Oil and Gas Industry, specializing in safety and pipeline inspection. At Midwest Land Group, he's able to use his experience in investigation and analysis to market the unique features your land has to offer to potential buyers.

When he's not working, you can often find him chasing mature whitetails with his bow, fishing with his kids, golfing, and traveling with his wife. He also serves as a coach for his son's basketball and football teams. Will lives in Pawhuska with his wife Jeri, sons Beck and Penn, and daughter Karter. If you're ready to buy or sell, give Will a call.
