The current owners have constructed a 56'x56' fenced garden area with stainless steel raised beds and large compost system, chicken coop with run to allow the new owners with the possibility of operating a self-sustaining farm. A livestock shelter or wood shed with electric is located on the east side of the house. If you are searching for a farm with self-sustainability to run a few head of livestock, hay production and hunting, within close proximity to amenities and necessities for everyday living, give Kevin Williams a call at (918) 559-8960 for more information or to schedule a showing. AGENT CONTACT

Kevin Williams loves the outdoors, family, friends, and his country. Having grown up in the shadow of his grandfather, Kevin learned everything he could about Northeast Oklahoma from the lifelong hunter, fisherman, team roper and Veteran. Born in Bartlesville, Oklahoma, Kevin was raised in Nowata and attended both the University of Oklahoma and Oklahoma State University, ultimately earning degrees in Turf Management and Liberal Studies. He enlisted in the United States Army and served as a paratrooper, combat medic and soldier, serving two combat tours in Iraq, earning numerous awards. Early in his career, his love for golf took him to shaping and maintaining golf courses in Oklahoma and as far away as Jamaica. He then went on to have a successful career in medical sales. An experienced deer hunter, avid fisherman and sports fan, Kevin enjoys working at Midwest Land Group where he can share his passion for the outdoors, wildlife, and country. A trusted and proven salesperson, Kevin is dedicated to his customers' needs. When not golfing, you can usually find him in the woods searching for a buck, fishing for largemouth bass, or volunteering with youth and Veterans. He has served as the boat captain for a nearby high school fishing team, as well as volunteered with Fishing for Freedom on lakes in Missouri, Oklahoma, and Texas. Kevin and his partner, Nichole, make their home in Oologah, Oklahoma. Together, they have five children. Give Kevin a call today to experience the Midwest Land Group difference!
