BROKER CONTACT

Like most agents at Midwest Land Group, hunting is Karl Ward's passion. However, unlike most agents, Karl was born in a cabin in the woods in Akeley, Minnesota, on a homestead his parents built from the ground up, with no running water or electricity. He grew up in Dallas, Oregon where his love for all things outdoors became a natural part of his life. He served in the U.S. Navy as an in-flight operator for 20+ years and earned his Bachelor's Degree from Liberty University while on active duty. While in the Navy Karl served a recruiting tour in Gillette where he fell in love with Wyoming and made lifelong friends there. After retiring from the Navy, he did some Program Management as a Defense Contractor before ultimately seeking out a career that aligned with his excitement for the outdoors.

A true outdoorsman, Karl enjoys hunting, fishing, camping, hiking, farming, and woodworking. This lifestyle combined with many moves across the entire nation while in the Navy, led him to a firm grasp of the many challenges that can present themselves while buying and selling properties. His ability to combine a business mindset with a personal touch when working with clients is unmatched. As a land agent, Karl is able to combine his experience and knowledge with his love for the outdoors to help both buyers and sellers.

Clients who work with Karl know how determined he is. A master of thinking outside the box, Karl is a problem-solver who will exceed his client's expectations, adapt to their circumstances, and work hard to ensure a smooth transaction. An active participant in his church, the local Chamber of Commerce, and the VFW, Karl is married to his wife, Trinette, of 27 years and, together, they have 4 children and 3 grandchildren.
