AGENT CONTACT

Based in Kyle, Texas, and proudly serving the Central Texas and Hill Country region, Stephen Mauzy brings a lifelong connection to the outdoors, a deep respect for rural values, and a tireless work ethic to every land transaction. Born in Houston and a graduate of Texas A&M University with a degree in Industrial Distribution, Stephen grew up fishing the Texas Gulf Coast and exploring the woods of Southeast Texas. His passion for bird hunting began in college and deepened while working on a small horse ranch and preparing family land in East Texas for hunting with his brothers.

Before joining Midwest Land Group, Stephen helped build a \$40 million business in the construction materials industry, helping clients overcome the challenges of hard manual work to build their livelihoods. Now, he applies that same drive and business acumen to helping landowners and buyers succeed through land ownership.

Stephen's commitment to conservation and community runs deep. He's actively involved with organizations like Ducks Unlimited, Coastal Conservation Association, Habitat for Humanity, and Food for the Hungry. Clients trust Stephen for his honesty, dedication, and ability to work as hard for them as they do for themselves. If you're looking to buy or sell land in Texas, Stephen Mauzy is the agent who will get it done right.
