MIDWEST LAND GROUP IS HONORED TO PRESENT

PICTURESQUE ACREAGE WITH HOME, SHOP, AND PARTY HOUSE ON BLACKTOP

Meticulously maintained for decades, this 19 +/- acre homestead sits on Highway ZZ just a few miles east of Marceline, Missouri! This property features a spacious home on blacktop, a large shop, a party house, a massive hip roof barn, many other sheds, two ponds, one of which is fully stocked, and fertile hay ground! The property has clearly been meticulously maintained for decades! With Highway ZZ frontage, you have quick access back to town as the property is located less than 3 miles East of Marceline, 1 hour 20 minutes northwest of Columbia, 1 hour 40 minutes east of Kansas City, and lies within the Marceline School District.

The property offers a well cared for 3000 +/- square foot home with 3 bedrooms and 2.5 bathrooms, with two non-conforming bedrooms in the basement along with a kitchenette, tons of unfinished storage space, a spacious two-car attached garage, and a large deck overlooking the property. Imagine sitting on the large deck each morning, enjoying the sunrise while drinking your coffee and watching the deer and turkey that frequent the property. With the amount of wildlife that comes and eats out of the yard, it is clear there is no shortage of wildlife here!

One of the largest attractants to this property is the

large 32'x48' party house with a massive kitchen, 1/2 bath, utility room, and large 12'x32' covered concrete patio overlooking the fully stocked pond! This space is ideal for those large family get-togethers, birthday celebrations, and holiday get-togethers! Attached to the party house, you will find the large 48'x48'x16' fully finished shop. The shop is fully insulated, walls and ceiling finished with white tin, electric ran throughout, welder plugs, concrete floors, and rural water. Another well-known feature to this property is the massive well cared for hip roof barn that has stood the test of time throughout numerous decades! The giant hay loft with soaring ceilings is something you don't find often. The property features many other storage sheds as well!

For the hobby farmer or the homesteaders, you will be pleased to know that the property is nearly fully fenced with very nice cattle tight fencing, features many great garden areas, outdoor hydrants are scattered about and abundant, and the property has been fertilized and hayed every year for decades! If you're looking to hold livestock, the only area that needs fencing is on the east side of the yard and the south side of the large shop.
