MIDWEST LAND GROUP IS HONORED TO PRESENT

MODERN BARNDOMINIUM BUILT IN 2023 ON 27 +/- LIVESTOCK-READY ACRES

Built in 2023, this modern rustic barndominium, 3 beds, 2 bath, 2,000 square foot home blends efficiency, craftsmanship, and country lifestyle into one turn-key property. From the moment you step inside, vaulted ceilings and exposed wood trusses create a dramatic yet inviting space. Radiant heated floors run beneath luxury vinyl plank flooring, while a centrally positioned wood-burning stove anchors the open-concept living area.

The kitchen is both functional and beautiful — butcher block countertops, stainless steel double ovens, a farmhouse sink, open shelving, custom cabinetry, and a generous island perfect for gathering.

Designed with energy efficiency in mind, the home features 2" foam board exterior insulation, two mini-split systems (3-zone + 1-zone), and seamless gutters.

Every detail was intentionally built for durability and comfort. The 1,200 square foot attached 2-car garage/shop expands your possibilities, complete with a heated washer and dryer room. The garage offers 3 total bay doors, allowing for pull-through access on the west doors.

Outside, 27 +/- acres are fully fenced with woven wire perimeter fencing and a portion of a pond sitting in the southwest corner — this place is ideal for livestock, horses, cattle, or building your homestead dream. The wide-open views and rural setting offer the freedom buyers crave.
