Your inner peace starts when you head down a picturesque country road, canopied by mature trees that lead you to your 21.5 +/- acre property waiting to erase the stresses of the day! This custom home and property were hand-crafted by the current owner, and no corners were cut.

Natural landscaping stone touches every corner of this spacious home and picturesque patio. Words are not able to do justice to the tranquil and lush outdoor patio showcasing koi ponds connected by streams, various waterfalls, and water features. A gazebo area that features a custom-made hexagon stone table with ample seating, along with a custom serving table.

Steps away from the house, you will find 3 outbuildings for all your needs. Building 1 boasts a 30'x60' with a concrete floor, insulated and heated. Complete with 3 automatic garage doors, 2 walk-in doors, and a 13'x60' lean-to off the back side. Building 2 is 22'x18' with a concrete floor, a garage door, and walk doors. Building 3 is 18'x16', perfect for a wood shop or mancave/shed. A concrete floor covered with easy walk foam floor, electric, heat, and A/C. The driveway boasts custom-designed pavers that add a beautiful touch as you drive into the property.

The remaining property has a small ag field that is currently being used for farming, a great wooded area

that borders some of the Shawnee Nation Forest, and a fully stocked pond.

The pond is surrounded by cypress trees and has its own dock, a 5-hp commercial aerator, and is fully stocked! This pond is full of large Catfish, Bluegill, and Bass! Whether you enjoy hunting, fishing, or just enjoying the peaceful outdoors, this property has it all.

The home boasts approximately 3,800 square feet of custom high-end touches that are tastefully rustic and extremely well done. As you enter the great room, you will fall in love with the natural stone fireplace that encompasses the entire wall and includes a custom barn wood firebox. The floors are gorgeous natural stone that span the entirety of this main floor. This open concept room includes a large kitchen area and is the perfect marriage of high-end touches. The granite countertops are highlighted on the very large entertaining island that seats 6, while the cooking island allows you to interact with guests while preparing meals. Off the side of the island area is a spacious dining area with a beautiful view through the picture windows looking out to the patio area. A step up from the great room takes you into a perfect private dining area surrounded by barn wood wainscoting. Onward takes you to another sitting area and a gorgeous fireplace! The theme of natural stone and rustic feel continues throughout this level. The main

floor is complete with a laundry room, office, full bath off the great room, and a master suite with another full bath. The master suite is as rustic and cozy as it gets. OVERVIEW MAP

AGENT CONTACT

If you're looking to buy or sell land in Southern Illinois, look no further than agent Scott Schroeder. Known for his hard work ethic and honesty, Scott excels working with people and their various personalities. He knows what it takes to talk with and understand both buyers and sellers to get the job done.

Scott grew up in Watseka, IL, and attended Watseka Community High School before jumping into a career in construction and construction management, working in the trades for over 30 years. He served as a fireman for more than 25 years and was a Fire Chief of a volunteer fire department in central Illinois before moving to the southern part of the state.

Today, Scott and his wife, Jenny, live in Alto Pass, IL, where they own a winery that hosts a vineyard and small orchard. He's become an award-winning winemaker, and the restaurant boasts an array of fresh and locally sourced dishes. In 2021, he won the Governor's Cup for a peach wine in Illinois, having used estate-grown peaches. Understanding the importance of land for farming has become essential even for this smaller operation, something Scott's able to translate over to help his Midwest Land Group clients. He's been buying and selling land for himself for years and loves sharing that joy with others. When he's not working, you can usually find him doing something outdoors, most likely, deer or turkey hunting.
