AGENT CONTACT

Born and raised in the heart of Missouri, Nicole Hart has spent a lifetime immersed in the land and the outdoors. Growing up in Rhineland, she watched her father shape the landscape through his excavating business, gaining an early appreciation for land use, topography, and the unique characteristics that make each property special. An avid bowhunter, shed hunter, and horse enthusiast, Nicole brings that deep-rooted passion to helping others find their perfect piece of land—whether for hunting, farming, or simply enjoying the peace and quiet of the countryside.

With a background in business and marketing, Nicole understands the importance of strategic exposure when listing a property. As a former small business owner and investor, she excels in networking and negotiation, ensuring her clients receive the best possible experience when buying or selling land. Her extensive knowledge of hunting, agriculture, and rural living makes her a valuable asset to both buyers seeking their dream property and sellers looking to maximize their land's value.

Nicole is an active member of the National Deer Association, Pheasants Forever, and the Missouri Taxidermy Association. She also coordinates a local "Homestead Market," where farmers and small businesses come together to provide fresh food and products to the community. Passionate about self-sustainability and preserving outdoor traditions, she volunteers at QUWF Youth Day to help pass these values to the next generation. She takes pride in helping her clients navigate the market with honesty, hard work, and a commitment to making their land ownership dreams a reality.

An avid bowhunter, shed hunter, and horse enthusiast, Nicole knows firsthand that not all properties are created equal.
