AGENT CONTACT

When it comes to land agents, Beau Mantle understands and appreciates the hard work it takes to maintain a property. He understands it takes time, money, and dedication, and that buyers and sellers alike deserve a representative who's going to apply the same level of skill and care to that investment in order for them to get the results they deserve.

Born in Jefferson City, MO, Beau developed a passion for bowhunting at an early age, thanks to stories his grandfather would share. He attended high school in Rogersville, MO, and graduated from Missouri State University in Springfield, MO, with a B.S. in Animal Science. Throughout this time, his love for the outdoors never waned.

Beau's background includes serving as a manager of a sow farm operation for Seaboard Foods as well as an account manager for Capital Sand Company where he worked with general contractors, real estate developers, and golf course superintendents. At Midwest Land Group, he's able to take that management experience and incorporate it with his passion for the outdoors.

Beau enjoys hunting, camping, shooting sporting clays, and spending time outdoors with his family. Bowhunting is his favorite pastime and is something he and his father and brother do on their lease in Texas County. Beau resides in Linn, Missouri, with his wife, Courtney, and two sons, Jackson and Bennett.
