MIDWEST LAND GROUP IS HONORED TO PRESENT

CHICKEN CREEK CROPLAND AND RECREATIONAL FARM

This 334 +/- acre property is located just south of Eskridge in Wabaunsee County, Kansas, offering a rare combination of productive farmland, diverse wildlife habitat, and exceptional recreational opportunities. The property includes 248 +/- cropland acres currently in production, consisting primarily of highly productive Class III silty clay loam soils. The cropland acres feature well-maintained terraces and waterways along with clean field edges and are currently under an oral year-to-year sharecrop tenant lease agreement, providing immediate income potential.

The remaining 86 +/- acres feature mature timbered draws, thickets, and warm-season native grass habitat. The timber primarily consists of elm, eastern red cedar, walnut, and cottonwood trees, creating superb wildlife habitat and natural bedding areas. The native grasses are clean and consist primarily of little bluestem, big bluestem, and Indian grass. Chicken Creek winds throughout the property, providing year-round water and serving as a natural wildlife travel corridor. Additional water sources include a pond and seasonal creeks.

This diverse combination of habitat, food, and water supports exceptional hunting opportunities for whitetail deer, turkey, quail, and waterfowl. Located in Kansas Deer Management Unit 14, the property offers excellent deer numbers and outstanding opportunities for trophy whitetail bucks. The sale also includes two Redneck 6'x6' Buck Palace hunting blinds on 5 foot stands and two Texas Wildlife Supply 2,000lb protein feeders.

The property is accessible via a hard surface blacktop road along the west boundary and a well-maintained year-round gravel road along the east boundary. Electricity and telephone service are at the road, making the property an ideal future homesite or cabin location. Mineral rights are intact and will transfer to the buyer at closing. With productive tillable income, mature timber, native grass, live water, and premier hunting opportunities, this property offers a unique combination of investment potential, recreation, and rural lifestyle appeal. For additional information, disclosures, or to schedule a private showing, contact Trent Siegle at (620) 767-2926.

PROPERTY FEATURES

COUNTY: **WABAUNSEE** | STATE: **KANSAS** | ACRES: **334**

OVERVIEW MAP

AGENT CONTACT

Trent Siegle knows the value of land. He grew up in a rural community, spending every weekend on the family farm raising crops, caring for livestock, and hunting. This helped sculpt him into the land agent he is today. Born in Wichita, raised in Council Grove, and having graduated from Emporia State University with a Bachelor of Science degree, Trent's roots run deep in Kansas. At Midwest Land Group, he's able to combine his love for farming, land management, and hunting with his goal of making people's dreams come true, whether it's a buyer looking to make memories on a piece of land or a seller looking to get the value their cherished land deserves. This accomplished archery hunter is the founder of the Council Grove Archery Club. He's also a member of QDMA, a Prostaff member of Heartland Bowhunter TV show, and a member of the First Congregational Church. Since he was a teenager, he's been a guide for the local Kansas Department of Wildlife and Parks annual youth turkey hunt. He harvested the second-largest non-typical archery buck in Kansas in 2016, won a Golden Moose Award with Heartland Bowhunter Prostaff/Team for Best Videography, and has had many articles and photos featured in a variety of hunting magazines. When not working, you can find Trent hunting, watching sporting events and spending time with his family, including wife, Catherine, and daughter, Harper.
