

MIDWEST LAND GROUP PRESENTS

1,304 TOTAL ACRES

UNRESERVED ONLINE AUCTION

**PIERCE, MADISON, & WAYNE COUNTY
NEBRASKA**

MidwestLandGroup.com

TRACT 1 - NORTH PIERCE 320

Tract 1 consists of 2 Pierce County quarter sections spanning 320 +/- acres. The land consists primarily of sandy loam soil with an NCCPI average of 44. Each tract has its own irrigation pivot ensuring dependable water coverage. The north tract features a 2025 Valley center pivot. The wells are pumping 1,250 GPM with depths of 240' and 140'. There is also a quonset with a cement floor on the property. The pivot power unit is currently owned by the tenant.

The property was previously rented based on 300 leased acres. The seller is retaining 2026 income, with the property being open for 2027.

In order to close the seller's estate, the seller will write a check to the buyer at closing for the estimated 2026 taxes. They will be projected based on the 2025 actuals and the valuation change of 2026. The buyer will then be responsible for paying 2026 taxes when they are due.

TRACT 2 - SOUTH PIERCE 320

Tract 2 consists of 2 Pierce County quarter sections spanning 320 +/- acres. The land consists primarily of sandy soil with an NCCPI average of 33. Each tract has its own irrigation pivot that is run by a single well on the property. The well is pumping 850 GPM with a pump depth of 359'.

This tract is conveniently located 20 miles southwest of Pierce and 25 miles northwest of Norfolk. The local grain market is strong with easy access to the soybean crushing plant and ethanol facility. The pivot power unit is currently owned by the tenant. The seller is retaining 2026 income, with the property being open for 2027.

In order to close the seller's estate, the seller will write a check to the buyer at closing for the estimated 2026 taxes. They will be projected based on the 2025 actuals and the valuation change of 2026. The buyer will then be responsible for paying 2026 taxes when they are due.

TRACT 3 – WAYNE 148.7

Tract 3 consists of a Wayne County irrigated quarter section spanning 148.7 +/- acres. The land consists primarily of silt loam soil and contains an overall NCCPI of 52.7. An irrigation pivot is in place and has been rated at 1,000 GPM with a depth of 180'. The pivot power unit is currently owned by the tenant. The farm also has a 10,000 bushel York grain bin.

The property was previously rented based on 129 leased acres. The seller is retaining 2026 income with the property being open for 2027. Any grain bin and equipment storage on property is sold in "as is" condition.

In order to close the seller's estate, the seller will write a check to the buyer at closing for the estimated 2026 taxes. They will be projected based on the 2025 actuals and the valuation change of 2026. The buyer will then be responsible for paying 2026 taxes when they are due.

TRACT 4 – PIERCE 148.25

Tract 4 consists of a Pierce County irrigated quarter section spanning 148.25 +/- acres. The land consists primarily of loamy sand and contains an overall NCCPI of 53.7. The north boundary of the property borders hardtop frontage providing ideal access.

An irrigation pivot is in place and has been rated at 800 GPM with a depth of 118'. The pivot power unit is currently owned by the tenant.

Electric pivot conversion is easily accessible with three-phase power running along the property boundary. A 35,000 bushel grain bin and a 384 square foot metal building are also located in the southwest corner.

The property was previously rented based on 145.6 leased acres. The seller is retaining 2026 income with the property being open for 2027. Any grain bin and equipment storage on property is sold in "as is" condition.

In order to close the seller's estate, the seller will write a check to the buyer at closing for the estimated 2026 taxes. They will be projected based on the 2025 actuals and the valuation change of 2026. The buyer will then be responsible for paying 2026 taxes when they are due.

TRACT 6 - MADISON 96.45 COMMERCIAL

Tract 6 consists of 96.45 Madison County acres with future commercial opportunity. The property is located just off Highway 275.

There are currently 77 acres of row crop and 12 acres of pasture/acreage. The property is a blank canvas for commercial and industrial developments. You will be hard-pressed to find a tract of this size in the quickly expanding area.

There is hardtop frontage on the east boundary off S 225th Street and on the south boundary off W Omaha Avenue.

The 864 square foot residence and existing outbuildings are sold "as is" with the property. Personal property or equipment currently on the property belongs to the seller and will be removed before closing.

In order to close the seller's estate, the seller will write a check to the buyer at closing for the estimated 2026 taxes. They will be projected based on the 2025 actuals and the valuation change of 2026. The buyer will then be responsible for paying 2026 taxes when they are due.

TRACT 7 - PIERCE 112

This Pierce County, Nebraska offering contains 112 acres with hardtop road frontage on the West boundary. Willow Creek runs through the property, making this combination farm an excellent option for both agricultural and cattle producers. Currently, there are approximately 62 +/- dryland acres and 47 +/- acres of pasture. The tillable acres carry an NCCPI of 46, with the soil consisting primarily of silt and sandy loam.

This hardtop and combination tract is conveniently located 14 miles straight west of Pierce. The local grain market is strong with easy access to the soybean crushing plant and ethanol facility.

The 2027 leases are open with the option to continue with long-term tenants, making this an excellent opportunity for both operators and investors.

OVERVIEW MAP

AGENT CONTACT

Rudy Vrtiska is a dedicated land agent with Midwest Land Group, serving Nebraska and Southwest Iowa. Based in Plattsmouth, Rudy has strong ties to the region, having been born and raised in Falls City. His connection to the land has grown through years of working in the local feed and seed store, cattle ranches, and spending countless hours in Nebraska tree stands. This has given him a firsthand understanding of the state's diverse land use.

A graduate of Nebraska Wesleyan University with a degree in Business Administration, Rudy brings valuable sales and negotiation experience from his role as a sales representative for an online equipment auction company. His entrepreneurial background, having developed and sold an e-commerce business during college, sharpened his problem-solving and communication skills—assets that benefit his clients in the land market.

Rudy's true passions are the outdoors and real estate, which drive his commitment to helping clients buy or sell their properties. An avid bowhunter and angler, he understands the importance of land stewardship and wildlife development. His down-to-earth approach, varied background, and competitive edge make him a trusted advisor for those navigating the Nebraska and Iowa land market, offering personalized service and a deep respect for land values.
