# AGENT CONTACT

Wes Armstrong knows what to look for in a piece of ground and how to help others see it too. A lifelong bowhunter with more than 35 years of experience chasing big game across North America, Wes has spent decades studying land, learning how to unlock its full potential, and helping others do the same.

Based in Sulphur Springs, Texas, Wes brings a strong blend of service, leadership, and business experience to his role as a land agent. He served 20 years as a firefighter with the Plano Fire Department, where he built his foundation of integrity, pressure-tested decision-making, and a calm, problem-solving mindset. He's also owned and operated multiple businesses, including a commercial real estate company and two franchise gyms, sharpening his skills in lending, investment, and negotiation.

Today, Wes pairs his outdoor passion with a results-driven approach to help clients pursue land that fits their goals — whether that means a whitetail haven, an investment opportunity, or a future legacy for their family.

He proudly serves land buyers and sellers across Northeast Texas with clarity, commitment, and the kind of firsthand knowledge that only comes from a lifetime outdoors.
