

MIDWEST LAND GROUP PRESENTS

3 ACRES
CRAWFORD COUNTY, AR

Ozark Road, Rudy, Arkansas 72952

Ozark Pt 911

MIDWEST LAND GROUP IS HONORED TO PRESENT

3 +/- ACRES READY FOR YOUR COUNTRY HOME

If you've been looking for a few acres in the country to build a home and make your own, take a look at this 3 +/- acre tract just north of Rudy, Arkansas. It's in a quiet setting along Ozark Road, but you're still close enough to Van Buren and Fort Smith that you don't feel like you're way out in the middle of nowhere.

What I really like about this property is how simple it would be to get started. The ground is flat and level, much of it is already cleared, and you have water and electricity on site along with high-speed fiber internet. If you'd rather utilize a well, or want one for watering a garden, animals, or a small hobby farm, that's an option here too.

The property has just the right amount of trees to give it some shade and character. I can picture a nice country home sitting somewhere on this place with a big porch, a few shade trees around the yard, maybe a garden out back, and plenty of room for the family, dogs, or a few animals to enjoy. It has that simple country feel a lot of people are looking for, while still giving you the conveniences that make everyday life easier.
